

UNSOLICITED E-MAIL COMMENTS FROM PEOPLE WHO HAVE USED MY SERVICE OVER THE PAST EIGHT YEARS:

Dear Michael,

Just wanted to say thank you so much for your time and the wonderful editing. These are a great help. Thank you very much.

Regards,
MH

Thanks Mike. The viva was very friendly and nice. It lasted for 1hr 30 mins. The external examiner came with view to give me a straight PhD. They said I did a great job in doing it and defending it and that it was wonderful defense. The few corrections were proposed to be made over a week and then submit to University. I am excited about such feedback. Thanks a lot for your help.

Hi Mike,

Brilliant – thanks!

No worries we are flying through this anyway! Technically I should be sending you Chapter 4 on Fri and you already have Chapter 5.

Best, C

Michael,

thank you so much you have been a real help. regards

Hello Michael,

Ahead of Friday I have been putting in the illustrations on my book and will have a mock up of the work.

Did you want to have a look at it before I go ahead?

Got to say I'm pretty pleased with how it has turned out.

S

Subject: RE: Edit

U are welcome sir...I have had a look. I think you have done a great job. I hope the Editors will be kind to accept it.

Dear Mike,

Thanks a lot for the final corrections, they are really good.

I hope you can free couple of hours this weekend to edit my abstract.

Hi dear Mike, I hope you are well and had a lovely holiday.

I just let you know that I have passed both my assignments. We don't know the marks yet, apparently we will receive the feedback on Monday.

Thank you ever so much for your help, I really appreciate it.

H

Dear Michael

Thank you for your feedback and your kind comments. Somehow it was very timely I was feeling very low today and thinking that maybe it was not such a good idea to pursue this PHD but you have given me some hope in that maybe this is an "ok" piece of work after all. I have really enjoyed working with you, I have found your comments and editing really useful and I have used many of them to further work my arguments through. Somehow you seem to capture what I have in my head in your comments.

I hopefully have just the conclusion and end bits to go but will let you know in advance when I am ready. If you don't hear from me before you go, have a lovely holiday!

H

Dear, Michael

My sincere thanks for the corrections and suggestions that you made in my work out fairly useful but I would like to inform you that the other part of the work I will be able to send it after receiving the feedback from my supervisor may be the latest but after Christmas but if I have this done before this time I will contact you.

Thank you very much

J

Hi Mike,

Thank you for your help. I was happy with paragraphs having little marks but, at the same time, I learned a lot from your comments, as always.

I found that one paragraph was indented automatically which made you think it was a direct quotation. And yet, they were my words.

Could you please check this part again and see if there is anything awkward?

I will copy and paste the paragraph for you. Many thanks

K H

Dear Mr. Hunt,

Thank you for your fast service and thorough advice.

Best,

Kim

As you can imagine, my observations are becoming more rare (they average 4/5 per chapter), and less important. There is only one sentence in Chapter I, which you had rephrased radically, but which did not really reflect what I wanted to say. When this happens, I realise my writing is still too unclear, hence I have expanded it considerably, hoping to have been exhaustive.

By the way, thanks for the explanation of "Burrows' " and "the sandals' smell" (and also for not counting the comment in the edit time). I really appreciate your patience.

More generally, I think you are doing a fantastic job, and I am glad that we are getting closer to the end, as Chapters 5 and 6 should be less than half of the whole book. I think your work is really top-notch, and I will advise you to other colleagues with their books, if that is okay with you.

Best,

L

Dear C C and Michael,

This email is to introduce Chen to Michael Hunt who may be able to offer proof reading service.

Micheal Hunt is a very professional editor who was introduced by my supervisor-

Good luck to you both.

Dear Michael

Just wanted to share the news with you that I passed my dissertation. I have no idea what my score was, and they are happy within themselves to not disclose this information with me, or any further information it seems.

I want you to know that I couldn't have done this without you, this is for sure. You provided more feedback on my work than any of my so called tutors or professors did in the entire year I spent writing it. I thank you sincerely for your part in getting me to pass this dissertation, so I can realise my future goals. So glad I found your service.

Best wishes

M

Dear Mike,

Hope all is well.

I don't know if you remember me, but you read-proof my thesis about the role of real estate mixed portfolio. I have just received my result for the work and I have received 71 for the thesis. Naturally, I am very pleased with the outcome and I would like to thank you again for your work and speed of delivery.

Best Regards,

Dear. Michael

Hello~

I am M. (***) University MA Art and Design Education.) Today, I received feedback of dissertation. I passed.

Without your help, I couldn't pass my dissertation.

Thank you for everything.

Happy New Year 2013!

Dear Michael,

I Just wanted to 'Thank You' for your kind words of support during my final days of dissertation and to let you know that I DID IT, I passed my Masters.

Cannot quite believe it but the certificate is in my hands and therefore it must be true.

So just to reiterate, thank you as I was so close to giving up, but kind words reassured me to continue and I sure am glad I did.

I wish you all the best Michael.

Best wishes,
A P

Dear Michael,

Please find file attached for the section I've rewritten based on your suggestion.

Thanks a lot for carefully editing and pointing out some problems of my work.

It's been really nice working with you and I'll definitely recommend you if my friends need a proofreader or editor.

Best regards,
E

Dear Michael,

Thanks for responding so quickly.

The recommendations that you gave are really useful, and the editing is also professional.

I re-write or add some points on the assignment (using the brown colour), please see the attachment and have some comments on it.

Many thanks!! Regards, F

I have just received the feedback for my essay on 'The Thin Blue Line', I'm very happy as I got a very good grade (A+) The teacher said that it was outstanding as very full, detailed, excellently researched and well argued answer to the question. :

Thanks for helping making my ideas more clear!!

I wish you a very nice evening!

Kind Regards, Val

PS: I got a 75 at my essay on urban agriculture, and one of the comments of the teacher was that it was "refreshing not to have to comment repeatedly on simple grammatical issues" Thank you!!

Best, Marie

Reading the comments in regards to the sample you sent back to me has really helped my understanding in some of my mistakes that I do during my writing and I find them to be very positive in learning. So I would like to thank you for that. I would have sought your help a while ago in regards to other important assignments.

Thanks, R

Dear Michael, Your editing is very helpful! It makes the essay more fluent and logical. Do you think my arguments can answer the question effectively? Is there anything you can suggest me for planning and organizing my next essay?

Thank you. AC

Dear Michael, My sister is studying history of art for her master degree at She is interested in your service too. How long does it usually take for a 5000-word essay?

Also, she has some essays which already submitted and she is having problem and she is frustrated. She has never had those essays proofread or edited. Is it possible to find out her weakness and help her improve by letting you edit them? She still has 3 essays before starting final dissertation.

AC

Dear Michael, I just receive the feedback of the *** essay and I got 74%, which is distinction according to the marking system at *** Both the marker and second marker love my essay very much. I attached my marking sheet. You mentioned about your questionnaire last time but I didn't hear of it again. Just send me an email if you need me to do it. Thank you for your editing so much. I think I also learn a lot from it.

Thanks again

Thanks very much for turning this around so quickly Mike and overall; thank you for all of your advice, patience and encouragement during this process. It's been of tremendous help to me and I shudder to think what type of product I would have turned in without your assistance. Thanks again and I'll let you know how I get on. A

Dear Michael, I am really happy about my experience of editing. I think it helped me improved my English writing, and I am sure it enriched my essays! Thank you M

Your editing makes me to think the logic to make my essay better. Thank you very much. In the school, my supervisor only pointed out where we wrote it wrong and asked us to correct it, but he didn't suggest how we can do to improve it or provide us some sample answers. I think it is hard to really learn something helpful. A.C.

Dear Michael, I appreciate your incalculable support regarding this paper. From your comments and feedbacks, I am learning many things about academic writing every day. Consequently, I made progress from this process and my supervisor encouraged me when he read my short essay regarding an article that deals with modern art museum. It stimulated me greatly and I am pushing myself forward to do my best for the next stage. I am indebted to you.

Dear Michael

Wow that was quick, thank you.

You have been a great help, thank you. I would have never got this far without your assistance, and believe me it was really difficult trying to find someone to do the edit. I am currently working on my Lab work and once I have completed I will get in touch with you

I will definitely pass your details around.

Thanks again for all your help, much appreciated.

Best regards

Lisa
